

Invocation

Hello everybody this is Jim Foster. Welcome to the Gateway Portal Day, May 5th 2009. The month of May is Mother Mary's month and this is the week of the Wesak festival in honor of Lord Buddha. We are blessed to have Quan Yin with us to give the session tonight; Quan Yin, the Female representation of Buddha. Take a deep breath and relax.

Tonight, in honor of the Divine Mother, when we set up our protection and healing grid, along with the Archangels of the Four Directions, we will invite their consorts to join us. When we set up our grid, the Archangels of the Four Directions will be in their places in the four directions and their four consorts will stand in between each one the Archangels. Archangel Ariel, the consort of Archangel Uriel will stand in the northeast, Mother Mary, the consort of Raphael, will stand in the southeast, Lady Faith, the consort of Archangel Michael, will stand in the southwest and the Divine Mother has asked to come forth and take a position in this grid and she will stand in the position of northwest, between the positions of Archangel Gabriel and Archangel Uriel. Take a deep breath.

Visualize yourself standing in the center of this grid. We are going to call Quan Yin to come and stand in front of us. Facing you is Quan Yin. See her facing you with her white robes. See Pure White Light pouring to you, pouring in every direction. Just feel the love from Quan Yin as she stands facing you. See yourself individually facing Quan Yin and everyone that is on this conference call standing together in the center, as a group entity.

Now we invite Archangel Uriel to stand in the north facing you, on the other side of Quan Yin. He is beaming from the palms of his hands and his heart Bright Yellow Light to you. In the position of northeast stands his consort, Archangel Ariel, the Archangel of Nature, beaming Golden Yellow Light to you.

Standing in the position of east is Archangel Raphael, beaming Pink Light to you. In the position of southeast, his consort, Mother Mary, is standing beaming Pink Platinum Light to you.

Standing in the position of South is Archangel Michael, standing with his sword above his head and beaming Aquamarine Blue Light to you. In the position of southwest is his consort, Lady Faith, stands beaming Platinum Blue Light to you.

Standing in the position of west, is Archangel Gabriel, beaming Emerald Green Light to you. In the position of northwest, our beloved Divine Mother stands, she is beaming Copper Gold Light to you.

Visualize yourself in the center of this grid with Quan Yin in front of you beaming Pure White Light to you. Visualize the Archangels of the Four Directions and their consorts standing around you beaming their Light and their love to you. Feel the love from the Divine Mother from all of the aspects of Divine Mother that make up this grid. Feel her love. Pause and take a deep breath.

Be aware that all of us on this conference call are standing in the center of this grid with Quan Yin individually and as one group entity.

We now call forth the Legions of Uriel to stand shoulder to shoulder, creating a circle around this grid formation. The Angelic Forces of Uriel are sending Golden Yellow Light to everyone in the center. Around them, the Angelic Forces of Raphael stand shoulder to shoulder and beam Golden Pink Light for healing to everyone in the circle. Around them, the Legions of Michael, their Swords of Mercy above their heads, stand. Aquamarine Blue Light is emanating from the bodies of the Legions of Michael and their swords. Around this circle, the Angelic Forces of Gabriel stand shoulder to shoulder beaming Copper Golden Light. This Light is the healing Light of Divine Mother.

As we stand in the center of this grid of Light; this grid of healing and protection surrounded by the love of Divine Mother, we will call forth the Presence of the Divine Mother in her totality and all of her aspects:
