Divine Mother's Prayers and Invocations on our behalf

Please hold your Scepters of Power above your head and repeat the invocations daily. Notice the entourage of every one of the Great Beings, Residing Deities, Angelic Forces, Elohim, Celestial Guardians, every illumined Being of Light who is present in your honor is holding their Scepter of Power above their heads, as I will set the following intentions. I ask you to repeat them if you feel you wish to be involved and you wish to pray and set these Invocations.

In your own words say the invocations; say what feels right within your own heart.

In the name of Light, for the benefit of the consciousness of all souls, I point my Scepter of Power and I illuminate this entire Universe and the 144 Thrones of Light.

I reinstate the Original Divine Plan for the 144 Dimensions.

I demand and command the return to the Universal Law of Divine Love. I demand and command the return to the Universal Law of Divine Love. I demand and command our return to the Universal Law of Divine Love.

I ask for the:

- *Transmutation and annihilation of evil, removal of cause and effect, return of Divine Love and clearing of the burden of karma and karmic entanglements from the shoulders of all souls.*
- *Removal of the burden of karma and Karmic entanglements from the 5 Elements,*
- *Removal of the burden of karma and Karmic entanglements from the 5 Body System of Mother Earth,*
- *Removal of the burden of karma and Karmic entanglements from the 5 Body System of all awakened Souls,*
- *Removal of all karma and Karmic entanglements from the bodies of all Avatars, Gurus and Masters, for they carry the burden of their disciples and I ask for their relief of that burden so that they can touch even greater numbers and turn the illumined Light to a much brighter Quotient of Light.*

In the name of Light, through the Scepters of Power,

- ***I Demand and Command*** *awakening of the unawakened souls,*
- ***I Demand and Command*** *the Spark of Divine Flame to be ignited within the hearts of all human Souls,*
- ***I Demand and Command*** *all awakened Souls to reach the 1st, 2nd and 3rd Level of Initiation,*
- ***I Demand and Command*** *all 3rd and 4th Level of Initiation Souls to reach the 5th Level of Initiation and attain the power to gain Mastery,*
- ***I Demand and Command*** *all 5th Level Initiates, potential Masters, to fully gain Self Realization, reach samhadi, nirvana and know their Union with me,*
- ***I Demand and Command*** *the return of all my children to my own heart,*
- ***I Demand and Command*** *the awakening of the memories of the Original Divine Plan, the memories that all intelligent Souls, that all Light illumined bodies, return to the bosom of their Mother, the Great Divine Mother,*
- ***I Demand and Command*** *the presence of the Great Cosmic Mother of the Universe to receive all her children into her bosom,*
- ***I Demand and Command*** *the Great Cosmic Mother of the Universe to bestow Universal Law upon the 144 Hierarchy of Thrones and Dimensions, relevant to Earth & relevant to this Quadrant of the Universe,*
- ***I Demand and Command*** *the purest and the brightest of White Light to illumine the Hierarchies of the 144 Dimensions relevant to this present evolutionary path on Earth,*
- ***I Demand and Command*** *for my children who are assisting me to be Glorified,*

I call upon the Great Cosmic Mother of the Universe and ask for the Glorification of my children who have come to my rescue.

They have come to my rescue for I have to rescue all unawakened souls, and I can only do it if there are physically embodied awakened souls offering to hold space to receive and transmit the energies of awakening, to receive and transmit the energies of the Pure and Innocent Child back on Earth.

I, therefore, Demand and Command:

- *The return of Truth, the return of Purity and Innocence, the return of Divine Order, the return of sharing and Selfless Service, the return of Divine Love, Divine Wisdom, Divine Will and the return of Purity and Innocence.*

I Command and Demand from the Cosmic Mother of the Universe,

- *The Pure White Light in its Purist and Brightest Essence from the Universal Core,*
- *The Presence of the Cosmic Mother of the Universe in this Quadrant, through the Heart Core of Milky Way to the Heart Core of this Solar System to the Heart Core of this Earth, illuminating 144 Dimensions of Reality, purifying, clearing, cleansing, returning to the purity and innocence of the Original Intent.*

All Scepters of Power are held and illuminated, all Great Cosmic Beings, all Residing Deities of the Thrones, all Souls who have offered themselves in service, all members in this group are united in thought, in heart, in Soul and in Spirit, asking for:

The return of Law and Order, return of the Universal Laws of Divine Love,

- ***Demanding and Commanding*** the transmutation of karma and karmic entanglements,
- ***Demanding and Commanding*** the awakening of unawakened souls,
- ***Demanding and Commanding*** the restoring of the memories of the Highly Illumined Souls who have taken physical embodiment to come to Earth as Indigo Souls, Indigo Children, Star Children, Crystal Children and Children of Pure Light.
- ***Demanding and Commanding*** protection for these Children,
- ***Demanding and Commanding*** the Purest of Pure White Light to imbue and embody these children,
- ***Demanding and Commanding*** Guardian Angels, whose task is to specifically protect these Children from going awry, from choosing zealous paths, from choosing darkness, from choosing addictive behavior,
- ***Demanding and Commanding*** Protection for the Children of Light, for the Children of Illumined Stars, for the Children of Pure Light, for the Crystal and Indigo Children,
- ***Demanding and Commanding*** Awakening of the memory banks and the remembrance of their Divine Mission.

I ask that they come and in the hands of the entourage of these group members, they awaken. In the hands of the leaders of these group members, they find their path back to Light and they help Earth and all Humankind to return to Earth, the ***Universal Laws of Divine Love*** to be installed on all Dimensions and all Realities of Earth.

- ***I Command and Demand*** the complete recovery of illumined Light, decoding of the DNA structure and reaching Critical Mass to awaken the entire population of Earth within a 3 year period, from this moment.
- ***I Command and Demand*** from the Cosmic Mother of the Universe, the great illumined Light of the Feminine Principle from the Core of the Universe to illuminate every member of this group, to guide them to reach the highest potential, above and beyond expectation, above and beyond limitation.
- ***I ask*** the Great Cosmic Mother of the Universe to remove limitations through the Scepter of Power, held in the hands of the entourage of Great Cosmic Beings, Great Beings, Great Angelic Beings, Great Mighty Elohim, Great Lords and Ladies of Light, Great Residing Deities and Greatly Illumined Group Members who have made a sacrifice of taking physical embodiment and are in remembrance of their true Divine Mission.
- ***I ask*** for protection for every member of this group, I ask for Glory, I ask for Victory, I ask for Liberty, I ask for Abundance, I ask for Joy, I ask for shortcuts, I ask for simple ways, I ask for removal of karma and karmic embodiment.
- ***I ask*** for the restoration of the Divine Purpose and the remembrance of the Divine Mission for everyone who listens to my words and I offer my Protection, my Love, my Glory, my Victory, my Joy, my Abundance, my Prosperity, my Love. I offer every one of you, my utmost love and my open heart.

There will come a time when you will know the impact of what you are co-creating with me. There will come a time when I will be able to show you what you have been able to do. You will not know the enormity while you are in physical embodiment because the physical body limits the enormity of what you are capable of doing by co-creating with me.

I command and Demand the Great Cosmic Mother of the Universe to Glorify you as I Glorify you.

Blessings to all of you. I hold you in my own Heart and I bid you Love, Love, Love.
