

Pray, Pray, Pray - May 14, 2003

From Mother Mary Channeled By Nasrin

My children of light, I am Mary, your mother. My children, I ask you to pray. Pray, pray and pray. Pray for the light to come to Earth. Pray for the light to stay on Earth. Pray for the light to open the hearts of all mankind, of all humanity, of all beings, of all souls, of all created and manifested formed spirited beings. Pray for the spirit of God to enter into the bodies of all souls. Pray for the heart of God to fill the hearts of all souls with light and love, with joy and happiness.

I come to bring you the news that your prayers are now received and magnified a thousand fold by my own prayers. As each one of you pray and join me, that which you offer to the world in your prayers and invocations will be multiplied by a thousand fold merely by invoking your mother Mary to join you.

As you pray, even if that prayer is a simple conversation with God, with Mary, with Ascended Masters and Mistresses, with gods and goddesses or directly with the throne of the Undifferentiated Source, call upon us to multiply and magnify your prayers and your conversations by a thousand folds, by 10-thousand folds, by a hundred thousand folds, because this dispensation has been given to us to assist you in every way we can to multiply and magnify the good that you offer to the world.

Doing good can be in small increments. Doing good can start from you being good to yourselves, from you being kind to yourselves, from you being gentle with yourselves, from you being loving to yourselves, from being worthy of love, from giving yourself permission to be worthy of love.

Many of you have said to me time and time again: But this intention is not worthy of calling upon you. Why would I want to call you for something this simple or this trivial? How could I consider myself worthy of something as trivial as this?

There is nothing in this world that is simple or trivial in our eyes. In my eyes, you are all my children. Whatever you ask of me, I will put out my greatest effort to attain on your behalf if it is in your best interest. And if it is not in your best interest, then I will still put out my greatest effort to bring you what is closest to that intention, that prayer, that wish that you have sent out to me, but also, in accordance with your highest interest and the highest and purest light.

Call upon me even when you are not certain what you want is of light and trust me that if it isn't, I will make sure that a light version of that be applied to your life, that a good version of that be offered to you, that a pure version of whatever you have asked for be given to you.

And I will do everything in my power to align my own prayers with yours and the prayers of all the ascended beings of light, all the cosmic beings of light, and the cosmic light itself. And to offer it before the throne of the Undifferentiated Source, before the throne of all the masters and mistresses, all the way from where I am to where you are and from where we both are to the great central Sun of this cosmic system of light where the US holds its heart core.

The heart core of the Undifferentiated Source has opened up and asked that we all come back in oneness. While we have this opportunity, let us pray, pray, pray that we can all return to oneness. Let us pray that we leave no one, no soul, even if it is as small as a pinhead, behind. No soul is unworthy. Whatever their size, whatever their destiny, whatever their service, whatever their desire, no soul is to be disregarded, ignored or discriminated upon. Every soul is to return to light. Every soul

Pray with me, my children. Pray, pray, pray. Pray for yourselves. Pray for your loves ones. Pray for your enemies ten times more, a hundred times more. Pray for all souls. Pray for all kingdoms. Pray for all manifested and unmanifested matter and non-matter. Pray, pray, pray.

And remember me in your prayers. I am your mother Mary. I love you and bless you and pray for you from the heart of love, from the heart of light, from my own heart. I love you. I pray for you. I cherish you. I adore you.
