

Shield of Protection - August 26, 2003

From Mother Mary Channeled By Nasrin

If you do this practice daily for 22 days without breaking it, it becomes part of your own being, and it will never leave you. After that, all you need to do is occasionally call upon it, to enhance it and to remind yourself that you have this protection.

So, this work that I'm about to begin with you is three-folded. One, is to fill you with energy in order for you to boost yourself for your personal use. One is to protect you from leaking this energy and to prevent any energies from entering your body that are of lower vibration. And the last one is for you to receive this energy, to boost your own energy, to be able to give a higher calibration of the energy to your clients and your patients. And, by encapsulating it inside of your own body, it helps you to boost your body to those levels where you can reach to the higher realms where you can see, visualize and hear guidance.

I call upon the presence of Archangel Michael and the Legions of Michael to form a circle of light around your body. And in this process I call upon your Higher Self to be present. As the Legions of Archangel Michael take their formation around you, Michael and his Legions will hold their Swords of Mercy above their heads. The sword is drawn out of its sheath, and it is emanating an electric blue color, the vibration of electric blue. Much like the sword that Luke Skywalker held in the Star Wars movies, an electric blue light is emanating. As the tip of each of these Swords of Mercy are held up by the multitudes of the Legions and the tips of the swords touch, a dome of blue light is created over your head. This dome of blue light surrounds everything inside of your body. This dome is filling the entire circle of light with a pure blue, electric blue light. It is pouring down to your body.

Envision that I am standing facing you. I have my hands held out, the palms of my hands are upright and facing you, and the center of my chest is facing you. I begin to emanate this golden-pink light of Divine Love. This is a new energy that has been given by the Masters through the energies of the dispensation from the Throne of Grace. The Throne of Grace has given this dispensation to us to give to those of you who are involved in healing and are involved in the work with the Masters. The purpose of this ray is to encapsulate you in the higher dimensional energy of Divine Love from the feminine principle. Whereas the blue light that comes from the sword of Archangel Michael is the blue light of Divine Love, but in its aspect of power. The golden-pink light that comes from our heart is coming from the aspect of the Source, the heart of the Source where the energy is Divine Love from the feminine aspect. These two mix and mingle and together create a balance in your bodies. I will send you the emanation of golden-pink light and through the shield of mercy that Archangel Michael and his Legions are holding above your head, the blue light is offering you the Divine Love in its masculine form.

As I establish energy moving from the palm of my hands and the center of my heart to the center of your heart and to the palm of your hands, you also will hold out your hands, your palms facing my palms, your heart facing my heart. You are receiving through the palm of your hands and through the center of your heart this golden-pink ray.

call upon the energies of Archangel Raphael, and the Legions of Raphael to stand over my presence and to create a dome of light with their swords of compassion and Divine Love. □□As you receive the golden-pink light, you stand under the shower of blue light. The blue light is coming to you from above your head, emanating in the circle that is created. The pink light is coming to you from the palms of my hands and the circle that is created around me, as well as from the center of my heart.

In the name of the I AM THAT I AM, I call forth the Shield of Mercy from the top of the dome where the tips of the Swords of Mercy are touching. Golden-24 karat gold, liquid gold is being poured down, and it opens itself to you, entering through your crown chakra, moving through the entire head and moving down. It sits on top of your body like a shield of protection, as though your auric field has been gold leafed. Around the area of your throat, your thymus gland, and your chest, the thickness of this golden shield is 2 inches thick. This is the area where lower vibration can penetrate, and when we allow the thickness of the shield to sit on top of you, on top of your chest, then any energy that is of lower vibration will be transmuted upon contact and turned into pure white light. In the areas where you simply need an encapsulation of your own energy, this shield is thinner and in the areas where you need extra protection, the shield is thicker. As this gold is poured onto the surface of your skin, you will experience that it is cocooning your body, and it is cocooning your aura, your energy body. And take a deep breath. □□As we establish these energies, we call upon the magnification of the prayer of the rosary to be said by the Angelic Forces of Light above your head and above my head for the magnification of all the light that you are receiving. And let us say the prayer of the rosary together. And say it with me out loud:

“Our Father, who art in Heaven, Hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us. Lead us not into temptation but deliver us from evil.”

And let us together say 3 Hail Marys:

“Hail Mary, full of grace, the Lord is with thee. Blessed art thou amongst women and blessed is the fruit of thy womb, Jesus. Holy Mary, mother of God, pray for us sinners now and at the hour of our death. Amen. Hail Mary, full of grace, the Lord is with thee. Blessed art thou amongst women and blessed is the fruit of thy womb, Jesus. Holy Mary, mother of God, pray for us sinners now and at the hour of our death. Amen. Hail Mary, full of grace, the Lord is with thee. Blessed art thou amongst women and blessed is the fruit of thy womb, Jesus. Holy Mary, mother of God, pray for us sinners now and at the hour of our death. Amen.”

Breathe deeply now. The golden-pink that your Mother Mary and Archangel Raphael are sending you is mixing with the pure electric blue light that Archangel Michael is bringing to you from the heart core of the Undifferentiated Source. The divine principle of feminine and the divine principle of masculine mix and mingle. The blue and pink, with the gold to seal it, unite in your energy field. And now, from this moment on, the golden cocoon of light, the golden shield, will protect you from any lower vibration and from you leaking your own higher vibration outside of your body and depleting yourself.

Take a deep breath with me and tell me how you feel.

I thank the presence of Archangel Michael and his Legions, and the presence of Archangel Raphael and her Legions. In this instance I use the masculine aspect of Lord Michael and feminine aspect of Archangel Raphael. Raphael is the angel of administration, angel of healing, angel of music, angel of freedom. And Michael is the angel of mercy, the angel of protection, the angel of prevention from all harm. We thank them for their presence.
