

MANTRA FOR THE ILLUMINATION OF PLANET EARTH
From Metatron 10/23/02. Channeled by Nas in Hudson MA

Invocation to Establish the Diamond Shaped Portal of Remembrance:
I call forth Archangel Azriel to take his position in the South.
I call forth Archangel Michael to take his position in the East.
I call forth Archangel Uriel to take his position in the West.
I call forth Archangel Gabriel to take his position in the North.
I call forth Metatron, Melchizedek, and Sanat Kumara to take their places
in the center of this diamond shaped Portal of Remembrance
(as we decree the following Mantra:)

From the Point of Light where the Undifferentiated Source and I are One
I command the Kumaras to reestablish their presence on Earth
and to take their commanding positions as the Word for the New Ascended Earth.

From the Point of Light where the Undifferentiated Source and I are One
I command Sananda to take his position as the embodiment of the Christos.

From the Point of Light where the Undifferentiated Source and I are One
I command Lady Nada to take her position as the patroness of the Indigo Children
and begin activation and recalibration of their Light.

From the Point of Light where the Undifferentiated Source and I are One
I command Archangel Michael and his Legions to take their positions
as the Guardians of the Scepter of Power.

From the Point of Light where the Undifferentiated Source and I are One
I command Lady Quan Yin and St. Germain to take their positions as the Guardians
of the Violet Ray, the Violet Flame, and the essence of the Ceremonial Order.

From the Point of Light where the Undifferentiated Source and I are One
I command The I AM THAT I AM to begin illuminating Planet Earth
and the consciousness of the masses with The Presence of The I AM.

I command the Earth to receive this illumination.
I command the masses to absorb this illumination.
I command the illumination of the I AM THAT I AM
to fill the hearts and the minds of all souls.
I command the presence of the I AM THAT I AM
to fill all souls with the remembrance of The I AM.

I bring forth this dispensation from the Throne of the Undifferentiated Source
Through the Throne of Grace to the Karmic Board.

I command the Karmic Board to release this dispensation
to all the masses and to Mother Earth.

I command the free will of all souls to open and receive
the dispensation of Power illuminated through The I AM Presence NOW!

I command the free will of all souls to open and receive
the dispensation of Power illuminated through The I AM Presence NOW!

I command the free will of all souls to open and receive
the dispensation of Power illuminated through The I AM Presence NOW!

I AM THAT I AM. GOD I AM. LIGHT I AM. LOVE I AM. BLISS I AM. I AM THAT I AM. So it is.

To dispel the potential misuse of power say: "I AM the Resurrection and the Life." or
"The consuming Flame of the I AM THAT I AM dissolves all that is unlike Itself."
