

MANTRA FOR MONEY

From Metatron 9/3/02 – Channeled by Nasrin in Hudson, MA

Say this Mantra daily, morning and night. Also say it during the day whenever your focus is falling away from peace and harmony. Make the intention to say it on behalf of yourself and those (by name whether or not they are physically present) who have agreed to say the Mantra with you, magnifying its effectiveness.

I call upon the energies of the Undifferentiated Source
To release me from all fear relating to money,
all fear relating to wealth,
and all fear relating to abundance.

I call upon the energies of the Undifferentiated Source
to release me from the consciousness of lack.

I call upon the energies of the Undifferentiated Source
to release me from the fear of surrender.
I surrender myself to pure white light.

I surrender myself to the golden ray of transmutation.

I surrender myself to the platinum ray of manifestation.
I surrender myself to the silver ray of creation.

I surrender myself to the purple ray of transmutation.
I surrender myself to the green ray of hope.

I surrender myself to the golden white ray of faith.

I surrender myself to the maroon-magenta ray of compassion.
I surrender myself to the peach ray of clarity.

I surrender myself to the citron green ray of abundance.

I surrender myself to the aquamarine blue ray of peace and harmony.
I surrender myself to the Nile blue ray of power.

I surrender myself to the yellow ray of healing.

I surrender myself to the orange ray of passion to create.
I surrender myself to the red ray of creativity.

I surrender myself to the dark blue ray of mastery.
I surrender myself to the Will of God.
I align my will with the Will of God.
I free myself from the law of free will.
I will myself to live in bliss.
I will myself to live in divine love.

I will myself to live in the light of the Undifferentiated Source.
Light of God I AM
Love of God I AM
Bliss of God I AM
Will of God I AM

I will it so. So it is. It is done. Amen.
Hallelujah!
