

**Receiving A New Contract For Highest Service To The Light
Lord Metatron: Channeled by Nasrin Safai**

From the point of light within the mind of God, I call forth the threads of light. I call forth the threads of light. I call forth the threads of light. In the essence of the threads of light, I wrap you from the top of your head to the bottom of your feet, in the cocoon of the filaments of bright white light which are threads of light connected to the mind of God. Golden white light that come from their source within the mind of God. As I wrap you in this energy field, you are now pulled from this earthly realm to enter into the realm of the divine presence in the mind of God. As we move into the presence of the mind of God, invoke the highest possible contract that you can perform in this lifetime, from this moment onward. Ask the contract to be downloaded to your physical body, emotional body, mental body, spiritual body, soul, spirit and your essence.

I wrap you in the filament of light. I take you before the presence of the mind of God, and I intercede on your behalf. Ask in your own words, in the presence of the mind of God, that the highest contract of service be given to you to supercede all other contracts. Ask to be moved to that elevation of light where you may be of the greatest service to the Masters of Wisdom, the Ascended Masters and the Brothers and the Sisters of the White Lodge. *Take a deep breath. Pause and ask in your own words what contract of service you wish to receive. Ask, my beloved, and you shall receive. Knock and it shall be opened unto you. it is. So it is.* In the name of the I AM THAT I AM from the mind of God, we ask forth the presence of a new contract, the highest vibrational force field for the divine purpose of (*say your name*), in the light of the I AM THAT I AM, through the intercession of Metatron and the Brotherhoods and Sisterhoods of the White Lodge.

I, Metatron now intercede on behalf of (*say your name*) for the downloading of the original blueprint for the highest contract of service to light, to supercede all other contracts. This new contract vibrates to the highest and the purest essence of pure white light, and will place (*say your name*) in service of the Brotherhoods and the Sisterhoods of the White Lodge, the Ascended Masters of Light, and the Masters of Wisdom. **May the service to the Masters of Wisdom bring the light of leadership in purity and innocence to the Planet. May the light of the purity and innocence supercede all lower vibrations. May the return of the original blueprint be downloaded in the bodies, souls, minds and spirits of every being, every consciousness of every essence, of all people, places and things. As well as in the bodies of sentient and non-sentient beings and in all the souls in all levels and dimensions of reality of earth. Above earth, below earth, within earth and around earth. All souls, all levels, all dimensions, to receive the highest light, to receive the highest purpose. In the name of the I AM THAT I AM.**

I now pause for a moment for the downloading of this new contract into every cell, molecule, iota, atom and every electron of your body and your being. Take a deep breath as the molecular structure is recalibrated to receive the highest contract from the mind of God. Pause, take a deep breath and meditate to absorb and embody the vibrations of light emanating from the Masters. If there are any doubts or concerns, bring all the self-criticism and self-doubt before the Brotherhoods of the White Lodge and ask that they would annihilate it for you. I will also do this through the grace that has been bestowed upon me. I will give you the help to remember and to vanquish self-criticism and self-doubt as an on-going process. It is important that you ask daily for it to be released from your energy body through the help and assistance of Metatron and the Masters for the next 22 days. We also ask through the downloading of the original blueprint and the divine template for all that is of lack and of fear to be replaced by joy, union and pure white light. So it is.
