### **Ceremony to Bore Tunnels from Goddess Victory's Throne in 121<sup>st</sup> to the 21<sup>st</sup> and then to the 12<sup>th</sup> Dimensions of Reality – Goddess Victory's Etheric Retreats**

My children of Light, I am your very own Divine Mother.

I too stand offering obeisance to Great Silent Watcher on behalf of Light, on behalf of Divine Feminine.

On this auspicious day, I ask you to join me in Ceremony. What we will do is to pour the energies of the Divine Feminine from this Altar down to the Dimensions and Realities and to **bring with us a Jar of the Sacred Fire from the Altar at my own Throne** right here where you stand, filling this Jar with the Sacred Fire Light, asking Goddess Victory to bless this Fire, asking Great Silent Watcher to bless this Fire, asking the Goddesses who work with you – Quan Yin, Hecate, Isis, Mary, Athena, Pele and also the physical manifestation of the living aspects of Divine Mother in the form of Spiritual Masters and Gurus, asking them to participate in this Ceremony.

What we are about to do is to **open a Portal from this Dimension of Reality** to the one below that is **the Seat of Goddess Victory**. We have created a Throne for Goddess Victory in 121<sup>st</sup>. We did this officially inaugurating Goddess Victory upon her Throne on the 20<sup>th</sup> of March 2012. Then I wish to pour the Flame from this Jar to the Fire at Goddess Victory's Altar.

I ask you to envision that we are now standing before the Altar one layer down from where we are now. **We are in 122<sup>nd</sup>. We will go to 121<sup>st</sup>.** The Throne of Victory is illuminated with Goddess of Victory seated upon her Throne. We will stand at her Sacred Altar and we will **pour the Fire from this Jar to mix with the Sacred Fire at her Altar**. Then we will ask Goddess Victory to imbue the energies of Victory into the Sacred Fire and allow us to **fill our Jar from the Sacred Fire** and bore a tunnel from the 121<sup>st</sup> to the 21<sup>st</sup> where Goddess Victory has an Etheric Retreat.

Envision a Golden Tunnel bored to bring us to the **21<sup>st</sup> Dimension of Reality**. A miniature version of the Throne of Victory is erected at this Throne. **Again we pour from our Jar into the Fire at this Altar**. This Fire is a stepped-down version of the Fire that is in the Throne at the 121<sup>st</sup>. Then we will ask Goddess Victory to bless this Ceremony and allow us to **fill our Jar once again** from this stepped-down Altar that is in the 21<sup>st</sup> Dimension.

It is within the Seven Heavens. The Seven Heavens begin from the 14<sup>th</sup> Dimension and continue to extend to the 62<sup>nd</sup> for 49 layers – from the edge of the 13<sup>th</sup> into the 14<sup>th</sup> to the edge of the 62<sup>nd</sup>. To the edge of the 61<sup>st</sup> going into the 62<sup>nd</sup>. Those are the Seven Heavens. So 21<sup>st</sup> is within the second layer – the Second Heaven.

Now from the Second Heaven, from the 21<sup>st</sup>, we will bore another Tunnel going down. This time going below the Seven Heavens. We are going to go to the 12<sup>th</sup> Dimension of Reality. So we started at 122<sup>nd</sup> at Mother's Altar. We went to 121<sup>st</sup> at Goddess Victory's Throne. Then we bored a Tunnel from 121<sup>st</sup> to 21<sup>st</sup> and now we are boring a Tunnel from 21<sup>st</sup> to **12<sup>th</sup> Dimensional Reality**.

Once again, at the Retreat of Goddess Victory, you will experience yourself now standing inside of a Great Hall. The air around you has a Golden hue – a Golden Pink hue and you are standing at the replica of the two Altars you have seen before at the 21<sup>st</sup> and 121<sup>st</sup>. Again, this is a stepped-down version. The lower the Dimension, the easier it is for each of you to absorb the energies – the easier it is for each of you to then take those energies to the Third Dimensional Reality.

I want you to visualize that your very own **Divine Mother pours the Jar of Fire**. This Fire will not burn you. This Fire is of heightened energies. It is a Fiery Light – not so much the substance of fire as you know it in the Third Dimension but the substance of a Fiery Light.

Now, pouring from the Jug that was filled with the Fire from the 21<sup>st</sup> to mix with the energies of the 12<sup>th</sup> Dimension. **Goddess Victory will add the energies of Victory** by standing before it. You will notice Golden Light, Platinum Light and Pewter. Those Triple Lights that is the signature energy of Goddess Victory is added to the Sacred Fire in the 12<sup>th</sup> Dimensional Retreat at the Temple of Victory.

Then it will be Goddess Victory, Lady Quan Yin and myself who will stand in the formation of a Triangle. Goddess Victory and Quan Yin over your left and right shoulders and myself standing directly in front of you. The **Great Silent Watcher will be standing behind you holding her Scepter of Power over her head**.

#### **Victory, Divine Mother and Quan Yin Rub Our Bodies with the Sacred Fiery Light**

We will be scooping the Fire from the Altar and rubbing it on your body. This is an embalming process; this is Ceremony to imbue the energies of the Sacred Fiery Light of **Goddess Victory's Sacred Altar in the 12<sup>th</sup> Dimensional Realm**. The Fire from the Altar at the Retreat of Victory in the 12<sup>th</sup> Dimensional Realm is being rubbed all over your body. Lady Quan Yin is rubbing it to you standing over your right shoulder. Goddess Victory herself is rubbing it to your body standing over your left shoulder. I am rubbing it to you over the front of your body. Then you will turn after we are complete. You will turn around and you will face the Great Silent Watcher and then I will be rubbing it on your back while Quan Yin and Victory will be rubbing it on your left and right.

Facing Great Silent Watcher, notice that from her Scepter of Power, Turquoise Blue Light is showered above your head creating a Dome that magnifies the energies of Victory. I will give you a moment as you stand facing the Great Silent Watcher while receiving the Sacred Fiery Light from the hands of Quan Yin, Victory and Divine Mother, magnified by the Turquoise Blue Light of the Great Silent Watcher.

**Set your intentions** for what you wish to manifest – what you wish to manifest for the next six months, for the next nine months, for the next year, for the next decade. Take your time.

**Repeat this exercise as many times a day, as many times a week as you can.** Remember yourself standing with Great Silent Watcher. Remember yourself standing in the 12<sup>th</sup> Dimensional Retreat of Victory.

Make a point of **starting each day before you get out of bed envisioning yourself** in this position – facing the Great Silent Watcher with Divine Mother holding your back, watching your back, bathing your back with the Fiery Light of Victory, with Victory and Quan Yin standing to either side of you. And set your intentions that the day will begin with the energies of the Divine Feminine supporting you, with Mother, Victory, Quan Yin and Great Silent Watcher walking by your side.

And **every night, place yourself in this Grid** and ask the four to take you to the Realms, to heal you, to guide you, to protect you, to empower you, to embody you, over-light you, illuminate you with the energies of the Divine Feminine. Open your heart to be fearless, to live in Love, to experience gratitude,

to enjoy this life.

And repeat this every morning and every night and if you forget, do not worry. Go back to it. **Do this until we come back together at 05/05.** May 5<sup>th</sup> is a very important energy just as 04/04 and 03/03 before it. With each of these Ceremonies, we will build and magnify the impact of what we have created together and what we shall continue to create together. Remember 05/05 is Wesak. You could say it is Lord Buddha's 'Name Day'. We will honor Lord Buddha and Lady Quan Yin and we will bring Goddess Victory and Great Silent Watcher and all other aspects of Divine Feminine.

Remember to do this exercise for your loved ones, for the Children of Light. Remember to perform this Ceremony, calling on all those who have been instrumental in bringing these meditations and exercises to you. Set the intention that this Group and this Foundation is empowered to bring more people to the bosom of the Divine Feminine.

Remember to call upon the Divine Feminine as you arise in the morning, as you rest your body at night and as frequently as possible in the course of the day. Remember that I hold you in my own heart. Remember that nothing gives me greater pleasure than to see you happy, healthy, abundant. It makes me happy to see you feel content. It makes me happy to know you live in joy, in gratitude, in Love and that your loved ones are loved and protected, successful – that the desires and wishes of you for them and them for you are all fulfilled.

I hold each and every one of you in my own heart and I pray for you all of the time.  
I am your very own Divine Mother. So it is.
